Source of Light is engaged in a worldwide literature ministry. For many years it has met the spiritual needs of thousands through Bible correspondence courses and other literature. Lessons are distributed by the International Headquarters in Madison, Georgia, and its Discipleship Training Branches (DTB) and Associate Discipleship Schools (ADS) throughout the world.

This literature is produced in the Source of Light printing department by personnel dedicated to the task of making Christ known through the printed page. This enables us at times to help with the expense of these materials through a literature grant.

Believing that Christian fellowship and sound Bible teaching are vital to growth in the Christian life, Source of Light encourages its Discipleship Training Branches and Associate Discipleship Schools to channel their converts into local Bible-believing churches or to establish new churches, if necessary.

A brochure, *Discipleship Training using Bible study courses*, is available which explains the various plans through which the courses may be used by other qualified ministries or individuals.

Representatives, Missionaries, and Appointees of Source of Light are available to present the ministry and its needs to churches, missionary conferences, and other groups. Contact the SLM Public Relations office for scheduling Representatives, or our Human Resources Department for scheduling Missionaries and Appointees.

SOURCE OF LIGHT MINISTRIES INTERNATIONAL FINANCIAL POLICY

Source of Light Ministries International is a faith work, maintained by gifts from interested Christians. Bible courses and other literature are printed and sent out as the Lord provides. No charge is made to the student. For those using the material in bulk under the plans 1, 3, and 5, we anticipate they will cover the cost of material and shipping unless other arrangements are made. Literature grants (when available) must be approved. (You may request a literature grant form when necessary.) Our ability to make literature grants depends on the Lord supplying the funds, so care must be used in making these grants. We anticipate those able to do so will share in the cost of the materials they order. Those receiving bulk shipments of materials will receive a shipping form, stating the cost of the material and postage. The recipient should then send the balance indicated.

Materials are stocked for returning to the Madison offices for grading, or with “no address” for use with the Discipleship Ministries. They must stamp their address on them for mailing purposes.

Source of Light Ministries is engaged in a worldwide literature ministry, offering Bible correspondence courses for use in other ministries. The lessons are effective with individual students, or in group studies. They are ideal for follow-up programs.

Much of our ministry involves the use of The Mailbox Club curriculum. These lessons are written by Mr. George Eager and the staff of TMC, and copyrighted by The Mailbox Club, Inc., Valdosta, Georgia. SLM International has permission to use these materials in its worldwide ministry.

If you need an application to use literature, an order form, or brochures giving pertinent information about Source of Light Ministries International, please request these. Check our Web Site (www.sourcelight.org) which will provide further information concerning the ministry.

COURSES OFFERED

SOURCE OF LIGHT MINISTRIES has a number of courses on the adult level. Most of these courses are on salvation and basic materials for new Christians. There are some Bible studies on a more advanced level that may require more study than The Mailbox Club materials. Source of Light uses the King James Version in all of our courses, unless indicated otherwise.

THE MAILBOX CLUB lessons are brief and well-illustrated. Each lesson has a test section to be completed and mailed in for grading. The various series are excellent for teaching in a group setting. Their use may be varied from the suggested order of study. There are no teachers' manuals. The teacher needs to spend extra time in preparing the lessons and doing background study. The King James Version is used in all Mailbox Club courses. However, they reserve the right to translate from the original texts where necessary, to make the meaning clear to the reader.

LIFE IN THE WORD has made the Life Adventure series available through SLM. These studies are primarily for youth.

CROSSWALK Discipleship courses are for those hungering for a deeper walk with God. The purpose of **CrossWalk – 220** is to ground the believer in the Christian life as a relationship of love and grace, not a performance of religious duties. **CrossWalk – Christian Marriage & Family** should be most helpful to those

who will diligently study and apply these truths. **CrossWalk – Interpersonal Relationships** shows Biblical principles for handling everyday problems relating to other people. (See page 37.)

PRISON MINISTRIES

Most of our Bible study courses (booklets are up to 32 pages in length) are put together without staples to make them usable for ministry in prisons.

SEE & DO Courses 1 and 2 are for children 4 through 7 years of age. They present Bible truths through well-illustrated Bible stories. The Mailbox Club presents... **YOUNG EXPLORERS 1 LESSON 2**

God Created All Things

Dear Friend,
Have you ever looked up at the moon and stars at night and wondered how they got there? I will tell you how they got there—God created them!

God created all things.
The very first verse in the Bible tells us, "In the beginning God created the heavens and the earth."
The word "create" means to make something out of nothing. Only God can do this. God made the sun, and He made the moon. He made all the stars.

God made this earth on which we live. God made the land and He made the beautiful mountains. He made the rivers and the lakes and the seas. He made the grass and the trees and the beautiful flowers. He made the clouds that bring the rain. God was making things beautiful for the first man and the first woman.

best friends

John said, "I have called you friends..." John 15:15

Where did SIN come from?

Dear Friend,
In our last lesson we learned that God is the Creator of all things. When God created the world, everything was beautiful and good, but some things are different. Many things are not beautiful and good. What happened? Sin ruined God's beautiful creation!

SIN AND SATAN. What is sin? Sin is what we do wrong. The Bible tells us that sin came into the world because Adam and Eve disobeyed God. Let us see how this happened.

You remember that God made a beautiful garden for Adam and Eve to live in. It was called "the Garden of Eden." God Himself planted this garden for them. Adam and Eve had everything they needed in this garden.

God told Adam and Eve that they could eat the fruit of every tree in the garden except one. God told them that they would surely die if they ate of "the tree of the knowledge of good and evil." God said "...in the day that you eat of it you shall surely die" (Genesis 2:17).

LIFE ADVENTURE SERIES – These lessons are in full color, 5 1/2” by 8 1/2”, after being folded twice, making six pages. The author, Bud Cox, wrote these with the conviction that children would respond best to identity-based discipleship materials. He feels that by laying a foundation for children, when they are older they won’t have to unlearn many life-style patterns developed as a result of other methods. The age group this is written for is generally 9–12 years, but can be used with teens and adults. Along with the story and quiz, there is a puzzle page. These lessons are Bible character episodes written in the first person.

LIGHT FROM THE GOSPEL OF JOHN is an introductory salvation course for teens and adults. This lesson is a brief study of the Gospel of John with special emphasis on salvation. No certificate is awarded upon completion. It is recommended for new students before going into the other courses. Use this if *Exploring God's Word, A Country Called Heaven, The Way to Heaven*, or *My New Life in Christ 1* series are omitted. We recommend it as an initial contact for: evangelism, door-to-door visitation, mailings, follow up for tracts, enrollment coupons, cards, and brochures. It is frequently used along with a Bible portion for mass distribution campaigns. The cover is printed in four-color process and the inside of the booklet is printed in two-color. It is attractively illustrated to use in your outreach ministry or as an initial study for your new converts class.

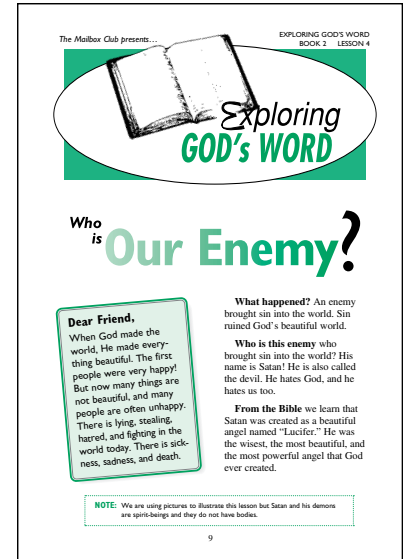

SALVATION COURSE (G)

LIGHT FROM THE GOSPEL OF JOHN is also available with the complete Gospel of John printed in the back of the booklet.

SALVATION COURSE with Gospel of John (G/John)

MY NEW LIFE IN CHRIST

COURSE 1 is a new edition of New Life in Christ 1. This is excellent as a first course for older teens and adults. It does not assume prior Bible knowledge and works well for new believers. It does cover salvation so is also a good evangelism tool. It is a step up in spiritual concepts, difficulty, or grade level, from *A Country Called Heaven* (CCH). However, these courses are not normally used with the same students.

Most of the following tracts and tract booklets provide an opportunity for the reader to accept the Lord Jesus Christ as personal Savior and to enroll in the Bible study courses.

T-1 You May Go To Heaven – This little tract, with a poem and Scripture, lists several ways you cannot get to Heaven and shows the only way you can. It is a powerful witnessing tool.

T-2 Not a Good Day to Die – This gripping account of a farm silo fire that killed two firemen brings the uncertainty of life into sharp focus. It gives the way of salvation and a challenge to accept Christ as Savior.

T-3 The Damaged Blue Car – Cousins defy their mothers’ directive and head for trouble. Forgiveness and a lesson in what Jesus Christ does in a sinner’s heart, teaches the value of obedience.

T-5 Facts, Faith, Feelings explains the salvation message giving Facts, Faith, and Feelings their proper order. It is particularly helpful to those who rely too heavily on their emotions. This will help place the Word of God in its proper perspective. This powerful, well-written tract is used to turn many to Christ and help others maintain a proper balance in their Christian life.

T-6 He Took My Whipping – This salvation tract wonderfully brings out the truth that Christ is our Substitute.

T-8 How to Get More Out Of Your Bible – Written by Warren Weirsbe, this tract is helpful for those without a clear knowledge of how to go about regular Bible study. It gives guidelines for a systematic study of Scripture.

T-9 How To Know God is written to answer the question of a boy asking, “How can I know God?” This tract clearly presents the plan of salvation.

T-11 Others May You Cannot – This tract helps a person to better understand the stages of growth in the Christian Life, showing why some believers with a clear conscience may do some things while others may not have that liberty.

T-12 The Awful Reality of Hell – This is a gripping salvation testimony by Cameron Thompson and is in great demand for distribution. Many salvation decisions are recorded from this tract dealing with hell.

T-13 The Bank of Heaven – Rarely discarded, this intriguing little tract is prized by many recipients and distributors and is a great witnessing tool.

T-15 Warning is similar to the Romans Road. This four-page salvation tract primarily uses Scripture with a brief “lead-in” statement.

T-16 The Evidence, by John Green, is checkup time on the reality of the Christian faith in an individual’s life. Use it with professing Christians who do not give evidence that they really know Christ as their Savior.

T-17 Now I’m Sure – This tract on assurance of salvation can be used with both children and adults.

T-18 Beginning With Christ can be used with both children and adults. It gives instructions for new Christians.

T-19 Footsteps of Faith, by John Green, is ideal for discipleship, taking a person, who has heard the Gospel and has come to know Christ, through various steps of Christian growth. It shows how the individual can mature, avoiding big gaps in the Christian's growth and development. Many ministers and others find it helpful as devotional or sermon material.

T-22 Complete Confidence, by Ray Walker, is a personal testimony that illustrates that Christians do not have to be filled with doubts and fears concerning their personal salvation. They can have confidence in the Savior who has given them the eternal life that He promised.

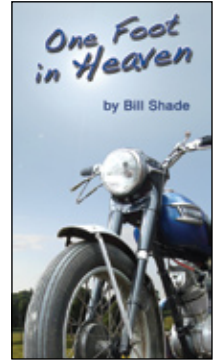

T-23 Tragedy or Triumph – This is the thrilling testimony of the spiritual blessings received due to a farm accident with a corn picker. This should be a great witnessing tool in an agricultural community.

T-24 Your Best Contact – This uses the “contact” of the Ham Radio Operator to illustrate a far better one that has eternal results.

T-26 90% Good – 100% Lost is a testimony tract written by George Eager, author of most of The Mailbox Club Bible study courses. It shows that although an active church member for many years, he was lost. This salvation message is an effective tool for use with nominal church members who may be lost, as well as those who are unchurched.

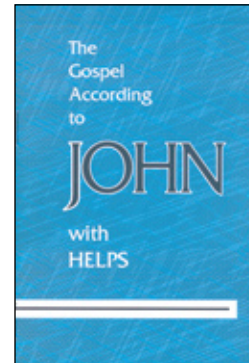

T-27 One Foot in Heaven, by Bill Shade, gives testimony to the peace the Lord can give in very difficult situations (even the loss of a leg). This clear salvation message is ideal to use with cyclists and thrill seekers.

Tract Booklets are booklets other than our regular Bible courses that have much more text than the regular tracts. These booklets are pocket-size.

TB-5 Decisions – Describing the type of decisions we all make, this comic-style booklet will grab the attention of the reader. It drives home the necessity of making the most important decision in life — accepting Jesus Christ as personal Savior.

TB-6 The Gospel of John – This attractive pocket-size Gospel of John with helps, stressing the value and power of the Scriptures, gives a portrait of Christ as found in the Gospel. It presents an excellent salvation message and is good for general distribution.

ALTERNATIVE MEDIA

A division of Source of Light Ministries International, Inc.

THE ALTERNATIVE MEDIA DEPARTMENT of SLM International exists to produce SLM Bible courses and other literature in media other than standard ink print so that the widest number of people can become disciples and make disciples.

Jesus said, *Go ye therefore, and teach (make disciples) all nations* (Matthew 28:19). SLM International believes this mandate extends to those who are blind and visually impaired as well as to the sighted. Much of the discipleship material written today is not available in formats blind people can access. Through our Alternative Media Department, we are trying to remedy this problem by placing selected courses, already in print, into Braille and audio formats. Right now, only basic courses are available, but these will be enough to get you started in the process of either becoming a disciple or “making disciples.” Below is a listing of materials now available in Braille and audio formats. More courses are being worked on and will be available soon.

BIBLE STUDY COURSES

Winning The Race of Life (6 lessons in Braille and audio cassette) — WRL, originally written for the 1996 Summer Olympics, takes the student through such basic questions as: “Who is man?” “Who is God?” “Who Is Jesus Christ?” and more.

The New Life in Christ Course 1 (12 lessons in Braille and audio cassette) is written for teens and young adults and deals with subjects such as: The nature of God, Sin, The person of Christ, Faith, Repentance, and some of the basics of living the Christian life.

Basic Bible Truths (8 lessons on audio cassette – coming soon

in Braille) — BBT deals in depth with Biblical teaching on the doctrines of Repentance, Faith, Regeneration, Justification, Adoption, Prayer, Sanctification and Glorification.

A Country Called Heaven (in Large Print), helps the student to understand Salvation and to know for certain how he may go to Heaven when he dies. This course can be used with older people and with people who are just learning English.

Through the Bible Prophetically (10 Audio CD's) — This 20-lesson course, taught by SLM director Dr. Bill Shade deals with the prophetic Scriptures in a way that will help the student understand end-time events clearly. The cost for this set is \$49.

TRACTS

Facts, Faith and Feelings (Braille only) — clearly shows the reader how to become a Christian by setting forth the facts of the Gospel, and showing how one is saved by Faith, not by feelings.

How to Get More Out of Your Bible Study (Braille only) — sets for the “the A B C's of Bible study.” By applying three principles, one will get more from the study of the Bible.

DEVOTIONAL BOOKLETS

God Is, by David S. Lampel (Braille and audio cassette), includes fifty-two meditations on the attributes of God. Through hymns, Scripture, and quotations from Christian leaders, the reader is helped to meditate more deeply on who God is and what He is like. It's a booklet you'll pick up often.

Knowing Jesus, by David S. Lampel (Braille and audio cassette), is a series of thirteen meditations on the life and ministry of Jesus

Christ. These meditations will cause the Savior to become more real, or introduce a person to Him for the first time.

Knowing Rahab the Harlot (Braille) — One of the ways God teaches us about Himself is through His people. In this booklet you'll gain an even greater appreciation for God's grace as you read about the life of one of His trophies.

Knowing The Apostle Paul (Braille) — Paul referred to himself as “the least of all saints” and yet God used him mightily. In this collection of devotionals you'll understand more truths about God.

Knowing Peter (Braille) — It has been said that Peter had “foot ‘n mouth” disease, yet God used him. You'll find encouragement as you rediscover how God can take a weak man and make him strong in the Lord.

Seeds of Encouragement (Braille) — was originally written as cards of encouragement but has now been compiled in a booklet of 52 meditations on the attributes of God. Some of the subjects covered are: Fellowship, The Holy Spirit, The Lord Jesus, God's love, and God is.

The Journey, a Scrapbook of Life in Christ by David S. Lampel (Braille) — is a compilation selected from Mr. Lampel's weekly e-mails. This scrapbook is sent free of charge, every other month, to encourage you in your walk with Christ and to keep you informed of the developments in the Alternative Media Ministry of SLM International.

For Ezra had prepared his heart to seek the law of the LORD, and to do it, and to teach in Israel statutes and judgments (Ezra 7:10).

Christianity needs men and women who, like Ezra, will commit themselves to study, obey, and teach the Word of God. We, at World Wide LIT, want to promote the diligent study of God's Word. Real study includes reading, searching, analyzing, memorizing, and meditating on the Bible. These courses will guide you.

Real study is accompanied with a yearning to obey God's commands. *He that hath my commandments, and keepeth them, he it is that loveth me (John 14:21).*

LIT stands for Leadership Instruction and Training. We, at World Wide LIT, want to help train Christians throughout the world to know, obey, and teach God's Word. These leaders can then continue the cycle by winning souls and teaching them the Word of God.

Correspondence schools, distance education programs, Theological Education by Extension programs, Bible colleges, and seminaries use the WW LIT courses. Already in use in Africa, Australia, Myanmar (Burma), Dominica, Grenada, India, the Philippines, Trinidad, and the United States, they are written for students who speak English either as a primary or secondary language.

To order WW LIT courses as an organization, please contact us for a WW LIT catalog and an *Application to Purchase and Distribute WW LIT Courses*. To enroll in *The Ezra Institute*, our pilot school, contact us for a catalog and application to *The Ezra Institute*.

World Wide Bible Institutes

A division of Source of Light Ministries International, Inc.

What is WWBI?

WWBI is a full three year, six semester training package at Bible Institute level. WWBI offers a 135-credit unit program to train students in all the basic Biblical knowledge necessary to equip them for leadership in the New Testament Church.

WWBI is produced in the best tradition of the Programmed Instructional Method, and is therefore self-instructing. WWBI does not require a professional faculty to achieve its goals.

How YOU Can Have a Bible Institute

When you contact us at the address in the front of the catalog, we will send you by return mail a WWBI Catalog. In it you will find:

1. An explanation of the WWBI concept of training.
2. A listing of the WWBI Curriculum and a description of what is included in each course.
3. The WWBI requirements for graduation.
4. A step by step procedure for starting a new Bible Institute, including costs, time factor, etc.
5. An Application Form to indicate your desire to begin a WWBI Bible Institute.

E-mail: wwbi@sourcelight.org

Web site: www.sourcelight.org/toolsforministry/Advancedcourses

WWBI is designed to be used in an organized institute setting within a mission or a local church, but is adaptable to individual study as well.

WWBI, like all SLM International materials, is trustworthy, doctrinally sound, and produced by writers who stand solidly in the tradition of our Biblical, evangelical faith.

WWBI will provide you with the tools you need to organize and operate a Bible Institute. We provide training for the institute staff, everything from setting up an institute classroom to student assistance, record keeping, certificates of recognition, and diploma forms for graduates. When you ask SLM International to help you set up a WWBI Institute, and are approved to do so, we stay with you until your institute is ready to operate.

WWBI is available to those who need it most and who meet SLM International's criteria. SLM International's burden is to establish viable Bible Institutes around the world, and SLM International will work hard to find a way to help you.
